Dear Parents / Carers

FEBRUARY HALF-TERM 2021

Further to the DfE announcement this week, we write to advise that school will be closed to all pupils during the February half-term holiday.

We are sure you will agree that our school staff have been doing amazing work and will join us in wishing them a restful, very well-deserved, break. We would like to thank you for the support you have been giving our staff and your children during this very challenging time. Hopefully you and your children will also be able to take a break during the half-term holiday.

Yours sincerely
