

1 February 2021

Dear Parent/guardian,

As you will be aware, we have scheduled Year 9 Parents Evening for 10 February, **1600-1900**. In the current situation, we are unable to have teachers and parents meeting across a table. We have invested in a new system, which allows us to meet face to face via a device. This means you will still have an opportunity to have a conversation with your child's teacher whilst being able to see them at the same time. You are invited to make appointments for the Parent Evening following the instructions below. These meetings will be booked online, and then held by video meeting rather than in-person at the school. In this important year, it will be an opportunity to hear how your child is making progress and discuss actions that are required to enable your child to achieve the best possible outcome. I encourage everyone to sign up and avail of this opportunity.

To make your appointments please login at: www.parents-booking.co.uk/saintbenedict. Please see attached sheet for detailed information of how the evening will operate. To login you will need to enter: Your first name and surname. Your child's first name, surname and date of birth.

The login details you enter must match those we have on record for you. Appointments will be available to book from **0900 on Tuesday 2 February until 15:00pm on Wednesday 10 February**. After you have made your appointments, you can choose to print or e-mail a confirmation. On the day of your appointments, you need to re-login at the website address above 10mins before your appointments are due to begin you will be able to join the video meeting room, where you can wait for your appointment(s).
